Your Excellency Governor of Alabama:-

Noting that a meeting to perfect a Negro War Council of Defense has been called by your Honor to meet at the Capital August 15th, I want to state for your intelligenece that I have been organizing local War Councils among the members of my race throughout the district for the conserving man-power in the mines for quite a while, and also doing the social work throughout the mineral district for more than ten years, and if I can be of any service to your Excellency in this movement pray command me.

Yours for God & Country

P. Colfax Rameau
