My dear friend

Your esteemed favor of the 5th inst is before me. The titles of the cases you desire are as follow.

Sterling Boykin vs McKee and Murphy - Clark.

Sims Taylor vs A Starke & Robt S Hatcher, Dallas.

Jas. Pugh use &c vs Same and Same Dallas. —

The Mobile Directory election terminated last evening by the election of the following persons. James, White, Goree, Sanders, Lea, Mayrant, Horton, Blocker, Ford, Bates, Adams, Cammack, Schyler, Fontaine.

It was impossible to elect Mr Bullard, as there were some 50 or 60 candidates here, and the Mobile delegation had agreed upon a ticket, to Mr Bullards exclusion.

I am surprised that you have not heard the particulars of Womacks letter to Andrew Jackson, as I sent you a paper containing it. The circumstances are these — Every Senator and Representative received a Globe containing Mr Benton's Speech on the expunging Resolutions, enveloped in an enclosure, franked by, and bearing Andrew Jackson's genuine ~~Seal~~ signature. Mr Womack returned his to him, with his commentaries as to its propriety.

You will see by the papers that the White resolutions were rescinded on ~~Friday~~ Thursday in the House by 12 majority.

As soon as I received your first letter in relation to Mr Hopkins, I attended to the matter in Bank at the moment, but thinking you expected him down did not apprise him till lately of the fact. The deposit however to his credit of $200. is now in Bank, waiting his orders. No one for him has called for the money since your first letter, nor has he himself needed it here or in Bank. Hoping yourself and family well

I am truly Your friend & Servt.
