EUFAULA.—At the election held in Eufaula last Monday for city officers, the entire Conservative ticket was elected. All hail, Eufaula! But *don't* let your election turn out another Mobile case.

☞ The Executive Committee of the Democratic and Conservative party of Alabama meets in Montgomery today. Major Modawell, of Perry, a member of the committee, left for Montgomery yesterday. We hope the deliberations of the committee may be harmonious, and that such measures may be adopted by it as will best promote our cause in the next State election.

AN OUTRAGE.—We learn that George Brown, formerly of Marion, and for the last four or five years mail agent on the Alabama Central Rail Road, has been removed, and that Green Lewis, an impudent, social equality niggor, has been put in his place. We do not know at whose instance this infamous act was perpetrated, but whoever it was deserves to be forever excluded from decent society.

PROCLAMATION.—Owing to the length of Capt. Harry Moseley's proclamation, on the outside of our paper, we are unable to give our usual amount of reading matter this week.

The proclamation reveals the sad condition of our people; and while we are always willing to work for our living, yet, in this case, it looks somewhat like taking advantage of the necessities of the people—at the same time Capt. Moseley's advertisement is a legitimate one for us, but we had much rather see our people in such a condition as to enable them to pay their taxes and thus save the expense of advertising in addition to their taxes—which alone are very burdensome. Will our people not make an honest effort to remedy their condition during the present year? We hope they will.

The Little Fat Sutler.

The Washington correspondent of the Mobile *Register* says that Ex-sutler Spencer seems to have a national reputation—it is hardly necessary to say for what. Some curious testimony concerning him, comes all the way from Nebraska, and relates to the deeds of valor Spencer performed during the war. His charges and his groceries, it appears, were alike fearful, and few could withstand them. The following letter was received by the editor of a New York newspaper, who sent it to his correspondent at Washington, thinking it might throw some light on a dark subject, i. e., the ex-sutler himself.

OMAHA, Nebraska, Jan. 23, 1874.

Editors of the ———: Dear Sir—Can you inform an old soldier as to the status of George E. Spencer, formerly of this place, now representing the plantation niggers of Alabama in the United States Senate? I understand that the committee on Privileges and Elections have his case before them, and that charges seriously affecting his character, are before them. George went out in the army in the noble capacity of sutler of our regiment, and if the committee wish any testimony as to the rancidity of his butter, the amount of filings in his tea, the quality of the peas used for coffee, etc., etc., they can just say the word, and many of the boys in Nebraska will do their utmost to vindicate him. *Et tu Brute?* Yours, JOHN SMITH.

EUFAULA, ALA., January 23.—During the municipal election this morning a riot was started by a negro leaping into the managers' apartment with a drawn knife. Several whites and negroes were wounded, one of the latter seriously.

Cotton and Wool Factory at Marion.

Mr. Editor: It is unnecessary to make any argument about the necessity or the importance of building up Factories in our country. Every body is already convinced. All that remains is to go to work, at once, and build these factories as soon as possible. Let us commence now to build a Cotton and Wool Factory at Marion. This is one of the most eligible sites in the State for such an enterprise. And I propose, Mr. Editor, that you call a meeting of the citizens of Perry, to convene in the Court House, on the first day of the next Circuit Court, to take the preliminary steps to erect a Cotton and Wool Factory at Marion. Some steps have already been taken to incorporate a Factory with $100,000 stock. PRO PATRIA.

We heartily endorse the suggestion of "*Pro Patria*," and suggest that instead of having the meeting on Monday of the first week of our Circuit Court, that it be held on MONDAY THE 9TH DAY OF MARCH, and by that time all of our people can and will have an opportunity of being present and participating in the meeting. And we urge it upon the people to turn out and give countenance to the suggestion of our correspondent, as it is a subject in which they should feel a lively interest. Come out, then, good people of Perry, and let *us* have a Cotton Factory in Marion. Why not?

New York Correspondence.

Mr. Editor: How tenderly should we act to day—it is the anniversary of the death of a member of our family—all should pause on such dates. Listen, some true woman, a mother or sister, has the whole life of the loved one before her. The vacant chair speaks volumes to the quiet soul while rehearsing her past life with its bitter trials and sacrifices. We men cannot fully appreciate the position. Given to much toil and endeavor, we but poorly see into the tender feelings of our mothers and sisters. They are storing away the dates of affection and bereavement as precious keepsakes to be reopened and wept over, as the year rolls around. How very different with us men who forget, amid our life's toil, the various dates of losses and afflictions, fearing they may disqualify us in braving the storm that assails our onward progress. We place them on the "profit and loss" account and sadly but resolutely throw aside our trouble for greater efforts, desiring to do life's mission faithfully. Not so with woman, the home body, clings to the very vacant chair and book, and dates, though they be so many causes to reopen the deep wounds. Dear boys, even if of a larger growth, tread lightly when an anniversary arrives, speak gently of the departed, and endeavor to heal the wounded mother's breast. Eleven years to day a dear brother passed away from the conflict of life to rest in a better land; "C. S. A.," was on his belt Are not others to join me to-day in thinking of the Past—yes, when we look over the list of "killed and wounded?" Then tosday, almost every day, some body's darling is exhumed, his manly form and noble bearing is rehearsed at the fireside by tender hearts. Breathe gently, for the wounds bleed afresh. No styptic, but copious tears, mingled with appreciative hearts, can check this outpouring of long suppressed grief.

The Army of Tennessee.

Rev. J. B. McFerrin, a distinguished Divine of Nashville, Tennessee, and one who did great service in the Confederate Army during the late war, publishes the following letter, which we take pleasure in transferring to our columns:

I have been solicited, from time to time, by many friends, to write a history of the work of grace in the "Army of Tennessee," with accompanying incidents, during the progress of the late war between the United States and the "Confederate States." I have gained the consent of my mind, after much hesitation, to comply with the urgent request of those who feel an interest in such a production. To make the work as complete as possible I ask my friends, and especially all the chaplains and missionaries who were in the service, to give such items as they may judge will be interesting to the Christian public. Incidents, anecdotes and facts will be gladly received. Let all communications state in whose command and in what division of the army the writer served. Please write without delay. Address

Barnum's Next Sensation.

The greatest showman of the day is once more in London, completing preparations for the opening of the immense Hippodrome which he is erecting in New York. He has leased from the Harlem Railway Company property in the very centre of the city, opposite Madison Park, Fifth Avenue Hotel, St. James Hotel, and other principal buildings. The "track" of the Hippodrome is to be one-sixth of a mile in length, and some idea of the means which are being taken to create a sensation may be derived from the following facts: Barnum has not only sent agents to Spain and Africa to secure attractions, but himself has visited the Hippodrome in Paris, the Circus Renz at Vienna, Myer's Circus at Dresden, Salamonski and Garre's Circus at Cologne, the Zoological Gardens at Hamburg, Amsterdam, and other continental cities, selecting and purchasing the choicest animals procurable, and engaging the most talented artists. He has secured what may fairly be called an endless variety of attractions, ranging from a race horse to a Roman chariot. With the Messrs. Sanger alone he has done business to the tune of £11,000. He has already shipped to New York elephants, camels and horses, trained for every species of circus performance. On the 25th a further "batch" will be dispatched, including sixteen ostriches, ten elands, ten zebras, a team of reindeer with Lapland drivers, a troupe of performing dogs, goats, etc., etc. The armor and costume makers of London are to be set to work immediately the pantomimes are off their hands, and some portion of the paraphernalia which is to contribute to the gigantic whole, will be shipped weekly. The Hippodrome will be opened in April next, and in the preliminary parade, we have no doubt, the citizens will say that their greatest and most popular showman has far outstripped all his former efforts. We may add that the New York enterprise will in no way interfere with the famous tent show everywhere known as "Barnum's Great Museum, Menagerie, Circus and Traveling World's Fair."—*London Era.*

☞ At the late meeting of the Tuscaloosa Grange Council, the following resolution was passed:

Resolved, That the Council considers the debt and credit system ruinous to agriculturists, therefore the Council recommends all Patrons of Husbandry to abandon the practice of buying their supplies on a credit, and to look to their farms alone for most of the necessaries of life, and to buy nothing that is not absolutely necessary, and in this way create no new debt and pay the old.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant Sudorific, Alterative, and Anti-Bilious.

☞ We are pleased to learn that our young friend, Dr. Truman S. Sumter, of 285 Fifth Avenue, New York, has been appointed Surgeon to the "Out-Door Department" of Orthopedic Surgery at Bellevue Hospital. Although many names were presented, his was the fortunate one. He is engaged in practice with the celebrated Dr. Lewis A. Negro Shot,—One night last week, Mr. Bowden, who attends to business for Mr. Willis Miree, at the "Richardson Place," three miles south of Marion, walking out after supper, discovered a wagon and mules standing at his crib door. He immediately returned to the house and informed Mr. Miree of what was going on. Mr. M. took his fire-arms and went out to see what was the matter. Two negroes were on the inside of the crib filling up the wagon with corn. As soon, however, as Mr. M. was discovered, the driver mounted the saddle mule and drove off; Mr. M. ordered him to stop, but he paid no attention whatever to the order. By this time, the wagon was out of reach of Mr. Miree. He made a negro bridle his horse, pursued and overtook the negro and wagon some distance beyond Captain Reese's place and again ordered him to stop, and failing to comply, Mr. M. fired upon him, the ball passing through the front part of the negro's bowels, which caused him to stop the wagon, but the negro crawled into the bushes or hedge by the roadside, and thereby eluded detection until after Mr. M. had carried the wagon and corn back to his house; when search was instituted for the negro, and he was found a short distance from where he fell from the mule. Mr. M. took the corn-thief in charge, who is now under medical treatment. We have but one complaint to make against Mr. Miree, and that is, that he did not kill the rascal.

MARION, ALA., FEBRUARY 25TH, 1874.

Editor Commonwealth—SIR: You will please allow me to state through your columns that the rumor circulated by some mischievous person or persons, saying that I sent my sister to the "Poor-House," is unfounded and false. I carried her to board in Mr. Ashworth's family, and *paid* her board up to the time of her death, caused by congestive chill. I then paid her burial expenses. I refer any person to Mr. Ashworth, William Moseley, her mother, and others.

Respectfully,
Feb.26 30 1t. J. H. POOLE.

HEALTH! BEAUTY!!

STRONG AND PURE RICH BLOOD—INCREASE OF FLESH AND WEIGHT—CLEAR SKIN AND BEAUTIFUL COMPLEXION SECURED TO ALL.

DR. RADWAY'S
Sarsaparillian Resolvent
THE GREAT BLOOD PURIFIER.
HAS MADE THE MOST ASTONISHING CURES; SO QUICK, SO RAPID ARE THE CHANGES THE BODY UNDERGOES, UNDER THE INFLUENCE OF THIS TRULY WONDERFUL MEDICINE, THAT
Every Day an Increase in Flesh and Weight is Seen and Felt.
Every drop of the SARSAPARILLIAN RESOLVENT communicates through the Blood, Sweat, Urine, and other Fluids and juices of the system the vigor of life, for it repairs the wastes of the body with new and sound material. Scrofula, Syphilis, Consumption, Glandular disease, Ulcers in the throat, Mouth, Tumors, Nodes in the Glands and other parts of the system, Sore Eyes, Strumerous discharges from the Ears, and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all weakening and painful discharges, Night Sweats, Loss of Sperm and all wastes of the life principle, are within the curative range of this wonder of Modern Chemistry, and a few days' use will prove to any person using it for either of these forms of disease its potent power to cure them.
If the patient, daily becoming reduced by the wastes and decomposition that is continually progressing, succeeds in arresting these wastes, and repairs the same with new material made from healthy blood—and this the SARSAPARILLIAN will and does secure—a cure is certain; for when once this remedy commences its work of purification, and succeeds in diminishing the loss of wastes, its repairs will be rapid, and every day the patient will feel himself growing better and stronger, the food digesting better, appetite improving, and flesh and weight increasing.
Not only does the SARSAPARILLIAN RESOLVENT excel all known remedial agents in the cure of Chronic, Scrofulous, Constitutional, and Skin diseases; but it is the only positive cure for
Kidney & Bladder Complaints,
Urinary and Womb diseases, Gravel, Diabetes, Dropsy, Stoppage of Water, Incontinence of Urine, Bright's Disease, Albuminuria, and in all cases where there are brick dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid, dark, bilious appearance, and white bone-dust deposits, and when there is a pricking, burning sensation when passing water, and pain in the Small of the Back and along the Loins.
Tumor of 12 Years' Growth Cured by Radway's Resolvent.
