Mr James Dellet Esq

Sis wear all wel and getting along much as usal ishal soon finish getherin the crops corn ar all getherd and have the hogs in the fields about eighty head to kil

Shiped eighty nine bales cotton from my plase

eighty three from davion plase ishal ship another lot in few days davion isdon picking out ihave got part of his force helping me to pick mine ishal have about hundred and fi[illegible] bales davison not so much their has bin som bad wether wether for getherin cotton the rive[illegible] isrising fast it is getting on the low plases in the ~~low~~ fields

you told me to mention to you if those machines would not work the boom has bin stopd ten days for the want of thread wehave had 235 yards cloth wove negros all got their cloths they stand in great nead of som hats ishal send down to dersha hepard and compony for ~~two~~ or three dozin cheap wool hats and afew corse cotton handkiefs fr the women both sides of the river
