ROOMS OF THE

Republican Executive Committee!

To the Republicans of Dallas County!

At a meeting of the Executive Committee on Saturday, July 13th, all factions of the party in this county united. For the first time for four years, our party is united. Divisions, trading and paid excuse for splits, are no more in our party, at least in this election, and I trust in God, tis done forever.

The hand writing on the wall of time is too plain to be misunderstood, and is too plain for me to say why all good men, saw and see the necessity of this uniting of the party. The committee representing all sides in the party after uniting put forth the following ticket; that nothing be left undone to effect a better understanding, and to perfect harmony among the bretheren.

FOR SENATOR.

E. M. HOLLOWAY.

FOR REPRESENTATIVES.

W. J. STEVENS,
ALF WILSON,
W. A. BRANTLY,
HORACE MOSELY.

The names of the gentlemen need no endorsement, they are well known by all. It is expected that every republican will go to the polls on Tuesday the 6th day of August and vote this ticket.
