Dear Friend Down behind the Iron Curtain: when are you (rebel) Reds going to stop fighting The Civil War?? Segregation is worse than Cancer, Communism or letting some one slap your mother. This is what is going to be printed on the pamplets that we are having printed to send down there to all the Negroes etc. we up here in the U.S.A., and you all down behind the Iron Curtain in alabama U.S.S.R. should know these things about segregation. I have a friend married to a Blond from alabama. It is a good deal. One is Black and the other white. She told me that those Crocker down there go bare footed etc. answere us here in the U.S.A. soon. 115 indicted etc.
