Mr B. M. Miller.

Dear Sir,

as I am a widow woman and have 4 children to take care of and haven't any way in this world to make a living for them, I am writing to you for advice and help. I was on the relief but they cut me off. my oldest boy is only 16 years of age. they wont let him work on the relief they say he is to young. so they have cut me out intirely I cant even get any of the groceries, and every body in my old home town here in Frisco City cant see why they have cut me off. did so many getting it that dont need it as bad as I do. I havent an ear of corn or nothing else to my name. and so I dont know what in this world I am going to do for a

over

living, I have 4 married children but they are in as bad a condition as I am. they are not able to take care of themselves. I have two kids in school but they go half clothed and dont even carry any lunch at all because they haven't any thing to carry. my oldest son's name is (George Jones) if you ever helped any body that needed help. please let me be one of the ones you help my husband has been dead 3 years we have to depend on yourself for help. if it is in your power to help the poor and needy please help me or let me know why I was cut off the relief.
anything will be appricated.

Sincerly yours

Mrs W. H. Jones.

I am sending this with my daughter as postage is scarce as well as ever thing else.
