Judge Wm H. Smith }
Montgomery } Dear Sir

Yours of 21 Inst at hand. I will follow your instructions & advice, my aim is to be strictly fair in all I do & expedite registration as fast as possible - We have registered all who have come forward without any delay, there has been a strong disposition on the part of the whites not to register but they are gradually overcoming that repugnance, we have an exceedingly better element to contend with & that are exceedingly lavish in their abuse of the Registers - I intend do my duty without fear or favor & do no man any injustice - We will take up the 3 & 4 Wards of the City the coming week. You will inform me if Notary Publics who held office prior to the War & afterwards held the Office during the War or as Solicitor of a Judicial Circuit are excluded also Harbor Masters, Bay Pilots & River Pilots Total for the Week sworn for the 1st & 2 Ward
