Belgium Sep. 17, 1944,

Dear "Sponsors,"

Just a few lines to let you know that I still recive the Letter From Home, every week, and enjoy reading it very much. I have traveled a lot sence the last time I wrote in. Came through France, and now I'm some where in Belgium. The people up here all are very nice, and friendly and quite a few can speak good english. They say it gets very Cold here in the winter and I believe it, because it gets very Chilly sometimes now, but I think if the good new keeps Coming, we will all be home before long.
