Williamsburg 30th Augt 1861

Dear Sir.

Your favor of the 19th inst reached this place in my absence. It was rec'd a few days ago and I required some little time to see some friends. This will account to you for any seeming neglect of you.

I think very favorably of your project but at this time I can say no more upon the subject.

I shall be in Richmond about the first of next week and will call upon you if Congress has not adjourned. If it does adjourn before that time. Leave your address with Mr Hunter.

In great haste.

Very respectfully &c.
George Booker
