Attalla Ala
June 22nd 1923

To the Hon. W J V Brandon.
Governor of the State of
Alabama. –

We the members of the
Womans Christian Temperance
Univn. of Attalla, Etowah
County, Ala, wish to add our
protest, to the many thousands
already sent in, against
the present convict lease
system, which we learn
has existed (a blot on our
fair state) since 1843.

Hoping that this will receive ~~your~~ the consideration of you and our representatives, at the coming legislature. We are

Sincerely

Mrs E. H. Hanley Pres.
