June the 1

Dear Dauter:s I take my pen in hand to drop you a few lines to let you no that wee havant forgoton you ons wee can sa to you that wee ar all well at this time hopen that theas few lines ma came to hand and that you all ma be injoyinge of good helth. wee havant nothin of inportence to rite to you at this time moore then wee would be the gladist in the world to see you all once moore and hear you tel your ups and Dowens and how much fun you have scean scence wee have met to grether last I will tel you somthing a bout my crop I have in somthing a bout twenty or twenty five acors in corne and it loocks fine I am neorley dun layenge it by and I have in a bot fifteen acors in cotton and it would look vary well if we had the bushes out of it wee have had the finist springe for work hear that I ever saw wee have had plenty of rin and but mity little to much to keepe us from work all the time

I dont hardley no what moore
to rite at this time onley the conextion
is all well as fear as I no R and E Gilpin
was hear last sunday tha live a bout fifteen
miles from hear Clost to Bright Ham
Pola An was up hear five weekes agoe for the
first time to see me scence I have mooved to
the countrey well F and E. I will sa
to you that wee hao fine prechen hear
last sattero Day and sunday wee hao five
prechers but tha dident all preck thear was
but two that preck.d I live close by
the meetin hous and wee have fine singin
hear twist a mounth F I waunt you to give
my love to your pau and tel him that I
waunt him to remember me when it
goes well with him and all so tel you
unkels that I would like to see them
and hear them preck F I wash that wee
could live close to grether so that wee
could see each other and so wiley woudent
for git us I waun you to name our
names to him so he wont for gil us
I would the best in world to see him
and you once moore if it was so that I
could but I recon that wee cant see
each other eney moore hear on earth
