Dear Sir:

Wouldn't it be just grand if, instead of troubling yourself about our niggers, you could do as South African officials do? Just turn the machine guns on them and mow them down by the scores. That would be just fine. And that would soon teach them that they are just niggers and have no rights whatever.

Maybe the old-time Southern custom of lynching the niggers will be revived. You are doing your very best to bring that about.

I deeply regret the [illegible] cast for you.

Yours
