Claiborne Jany 30th 1819

Dear Sir

I forwarded you, some time in October, my acct of Medicine furnished Colo. Dale's detachment Militia, together with the order for the same. I conclude that in the multiplicity of business, it has been mislaid or overlooked. Should you find the account accurate, and you have money in your hands, you will render me a peculiar favour at this time, to forward the amount by Mr. Taylor.

Very respectfully

Your Obdt. Servt.
