Executive Department

Milledgeville 8th Jany 1830

Sir

Richard K Hines Esquire has been appointed by the Governor the Agent for the State to collect the public money in your hands & to receive of you the public property & fully to carry into effect the enclosed Resolution of the Legislature so far as respects the Commissioners of the Oconee River. You will therefore please to settle with him accordingly —

Very Respectfully

Yours &c.

George R. Gilmer

Col Richd. A Blount.

Transcribd into the minutes

House of Representatives

21st Dec 1829

Resolved therefore by the Senate & House of Representatives of the State of Georgia in General assembly met, that the Governor appoint one or more competent agents to ascertain the situation of the public funds & property in the hands of any River Commissioner or Commissioners or their Agents, to collect & pay into the Treasury the balances aforesaid, to dispose of the property aforesaid for the public benefit and to institute suits when necessary for the purpose of carrying this resolution into effect — provided that in cases in which the Commissioners have faithfully discharged their duties & in which it may be consistent with the views of the General assembly as indicated by their proceedings during the present session, the Governor may exercise a sound discretion in enforcing or suspending the operation of this Resolve

approved 21st Decr 1829 —

Col. Rich^d A Blount

Milledgeville

Milledgeville 10th of March 1830
