Montgomery June 8. 1863.

Dear Simple.

I saw Judge Goldthwaite this morning he says he has fully written you, and has taken every step to promote your wishes. he read me a part of Judge Campbells. Letter, about the Judgeship, it seems. Your Judge sent on his resignation, and then instructed watts to withdraw it. I regret that I have no acquaintance with Genl Maury

Mr Pollion says Murphy will not be in a Condition to return for Ten or fifteen days. and may have to get his furlough extended, I will write a Note to Taylor. and keep a look out for any chance to send you the Box of Coffee, but few are moving either to or from the Tennessee Army in this direction. If you see Jewett say to him I have some Gold from Mrs James ($100/. to send him which I will send by same person that takes charge of the Coffee.

Dispatches yesterday indicate that you may be on the Eve of another fight. If you can whip out the Rascals & Pemberton can do the same at Vicksburg. I think it will do more to close the war, than any thing that has been done. You ought to get a leave of Absence for thirty days and come home to recruit. you can do but little for your Company in your present Condition. I can sympathize with you. the trouble I had from my Buggy gave me a Shock from which I yet suffer. My regards to Doct Ned

Very truly Yours
