Montgomery July 4/66.

C. F. Pollard

Pres't M & W. P. R. R. Co.

Dear Sir;

Three of the men of my Battery, were killed at or near Jonesboro - they were men whose relatives have no means of removing their bodies to this their native place - we desire to send on for them two men, as we have formed an association of our old Battery to gather the bodies of our deceased comrades from the Battle Fields of Ga Tenn - Ky - where they lie. We would feel greatly obliged if you would allow us transportation for the men sent for them and for the bodies of these soldiers of their country on your road and also recommend the same course to the A. & W. P. R. R. Co.

Truly yrs

Henry C. Semple

late Maj. Arty P. A. C. S.

The request is granted and Two Messengers will upon presentation of this be passed Free over the Road and back Free to Montgomery with the Bodies—
