Holyoke Mass Dec 6. 1884

Mr J. G. Pugh.

Sir.

It seem strange to you recived a letter from me. But I wish to enquire if you or any of your fire fathers or fire Mothers" came from Newtown North Wales. My Mother whos Maiden Name was Rachel Pugh. had a Brother who came to this Country some 40 years ago or more. Locating in some one of the Eastern States, I never heard any particulars. for my Mother died in May 1841 when I

was about 17 Months old.
My Father - was pretty well
known as Little Bill Morgan
the Singer. The only one
of my Mothes relatives
that I can recall was -
Little Joseph Pugh. who -
used to preach some
and about whom I have
heard some rather pleasing
stories.

My Father came
to this Country in 1846 & 7
and I - in 1849
My Father has been dead
nearly 16 years - will be
the 20th of this Month.
I hope to hear from you
soon. and remain
Respectfully Yours
R. E. Morgan
