Col Boling Hall
Comdg. 59 Ala.

Sir Your favor by Dr Leonard was recd this morning. Your better plan would be to send a man who knows the Baggage to select & take charge if it from the Ala. to camp, as it is very unsafe to fwd. baggage without some one in charge, an man can leave Petersburg by morning train. Report to me on arrival here, and return by Evening train to Petersburg with baggage. I will furnish waggon to deliver the baggage at the RR Depot at Richmond, & furnish transportation, for man & baggage to Petersburg. on any day you will send you man.

Saml. E. Holt has been ordered to rejoin his command. he is now in Petersburg, but has an application for assignment South.

Boling (Hall Wm B Hall's son) who was wounded at Charlottesville has received and here, on his way to rejoin his command. I will make personal enquiry for the Adjt O Coat and if received, will have it here subject to your or his order Respy
