My dear Mrs Troy

After several days absence I returned home yesterday and found your last letter awaiting me.

I am glad to know that you found the old letters of so much interest.

To me they were most appealing especially those of Mrs Dr Troy - nee Caroline Hunter. of whom I was especially

a16-6-18-43- Mrs Daniel Troy - Sept - p. 23

A short while before receiving your last letter I mailed you a couple of letters that I thought might interest you one from Mrs Col Tracy & the other from Mrs Burke of Paris Texas a daughter of Minnie Bird Gundy I hope they reached you promptly.

Through a recent letter from Mrs Baldwin I hear Mrs Owen will not be able to go to Cohoba before the last of this month.

I will let you know the day appointed & hope you

found as a young girl -

Her little boy - Robert - that she speaks so often of in her letters to Dr Hunter was only a few months older than I & we were constant playmates as children and great friends - as long as he remained in Cahaba. but I lost sight of him after he left there -

Dr Hunter returned to Cahaba from California & was one of the principals in the Bell. Hunter affray -

He killed Col John Bell in defense of Judge Bird -

can be with us on this occasion.

Did this Lady consent for the Brianson to keep the Hunter letters?

I hope do.

My eyes are still giving me trouble; therefore I hope you will pardon this poor apology for a letter.

Most cordially yours

Anna M. G. Fry
