Head-Quarters First Division, Army of the Mississippi,

Tuscumbia Aug 23 1862

Madam:

Your note of yesterday directed to Gen. Paine, asking for certain passes previously promised you, is received. The General has gone out on the Picket lines and left no instructions with me in relation to the matter. Not knowing the nature of the passes required, I am not able to send them. The General will be at these Headquarters this afternoon

Very respectfully, Madam

Your Obedient Servant

Capt H K Bonner

A. A. General
