

# H.O.G. News

**Kite Activity** will continue through April. It's been popular and we even have special-needs groups scheduled for special kite making time!

## Alabama Activity Board

You probably noticed the new activity board next to the computer. On one side there is a map of Alabama where children can place a sticker on their town. The other side is a felt Alabama map with Velcro icons. Children can match the velcro Alabama figures to their locations on the map.

## Pine Burr Quilt New Monthly Activity to Start in May.

Children will take pre-cut triangles and glue them on a circle to form their own piece of a Pine Burr Quilt.

Some of our activity sheets are getting a face lift. There is a new **History Hunt** and new **Oral History** activity sheet. There is also a brand new activity sheet called **Alabama Map Match**. Look for them in the activity sheets box. If you can't find them, please ask.

Volunteers needed to:

Cut fabric triangles for Pine Burr Activity.

*Please see Kelly for Instructions.*

## Old Things Needed!

We will be offering a special program called Old Fashioned Summer for day care centers this summer.

We are looking for the following items to use in this program:

**Dinner bell**

**Crank ice cream maker**

**Wooden eggs**

**Butter churn**

Please let Kelly know if you have any of these items that we could use!!!

Hands on Volunteers: Can't make it in? Please call Genene **and** Kelly. This will ensure that someone gets the message that you can't volunteer on the same day that you call! Thank You.

Kelly's phone number is **353-4702**
