Town Creek Bridge Aug 7 1862

Mrs Winston

Your note of this date has been duly received.

I am indefinitely informed that the horse is in the possession of some of the Cavalry.

I will immediately investigate the matter and if the property can be found it shall be sent over.

I have some appreciation of your situation at least and it would afford me much pleasure if I had it in my power to make it more pleasant

Very Respectfully Yrs

G I Dickerson
