

Happy Summer!

H.O.G. News

WELCOME JUNIOR VOLUNTEERS!

We are excited to have new and returning volunteers in the HOG. We're going to have a fun summer!

Don't Forget:

Make your Own Baseball Card activity is going on all summer.

Tell visitors about this activity and help them get crayons or markers to make their picture on the card.

Hand Fans

Archi-Activity for July and August

Children can make and decorate two different types of hand fans to help them *Keep Their Cool* during the summer. There will be cutting and gluing involved.

The preparation for this program is minimal compared to the last two. I think I hear your sigh of relief!! Thanks for all your work making these archi-activities a success!

Old Fashioned Summer Program is in full swing.

Program favorites include putting on the bonnet, straw hat, ringing the supper bell and holding the cane pole.

Bean Bag Toss is a favorite with the little ones and the Milk Can Toss is a hit with the older kids.

Thanks to the volunteers who are helping with this program!

E-NEWSLETTER

We are now taking names and email addresses of visitors who wish to receive an E-newsletter. Please encourage visitors to sign up! Sign- up sheet is located on the HOG volunteer desk.

OLD FASHIONED FAMILY GAME DAY SATURDAY JULY 12 10AM-3PM

Join us to play a variety of old-fashioned games including croquet, sack races, milk bottle throw, bag bean toss, horseshoes and more. Games will take place both outside on the lawn and inside on the second floor. People can play for fun and for prizes. Sign up to volunteer (if you haven't already).

New Hands-On
Activity!

INDIAN ARTIFACT MATCH GAME

There is a basket of Indian artifacts (replicas) on the Cherokee Council House display (next to the quilt table). Children can touch these objects and try to match them to a card with the object's appropriate use.

NEW SCHOOL TOUR

We are planning a new school tour designed for 2nd graders. There is a good chance that Montgomery County 2nd graders will be staying local for their field trips and will visit ADAH.

We need the following objects for the Famous Faces part of this program. Please let Kelly know if you have:

Imitation Peanuts

Tiara

Cowboy Hat

Baseball Hat

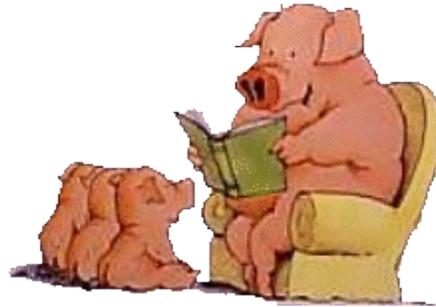

Imitation Pearls

Toy Bus

Toy Airplane

Air force flight Jacket or hat

Oval-rimmed glasses

We are also looking for volunteers who would be interested in assisting with this program. Contact Genene to sign up!

Need to contact Kelly? Call 353-4702, email, Kelly.hoomes@archives.alabama.gov, or stop by the HOG. Oink!
