Dear Mr Owen:—
I am sending you a picture of my boy who made the supreme sacrifice in France—
Your letter reached me here, having been away from home several weeks—The data concerning the military services of Captain Tomlinson—I will send you next week, when I return to Birmingham, as the records, and his citations for bravery are also there—I will write you as soon as I can get facts together—

Very sincerely
Amos R. Tomlinson,

Mr Thomas M. Owen
