is trying as hard as he

can to get some one and I guess he will pretty soon. he said last night that he did not know what he would do. If it wasn't for Wayne, said he guessed he would have to shut his Business down.
Brice I wish I was working in Sheffield now they are paying $6.25 pr day and double time for Sunday. and pay every Saturday evening. Brack Lee and several of the

men from around here are up there making $6.25 Brock Lee says that he is making the easiest money he ever made, and they say you dont have to work hard.

Well we are all well as common, have not heard from Flora in some time, I do wish Bud would go to Sheffield and work where he could make something, he could let Flora stay with Aunt Em.

and pay her board
he could make as
much there in one
day as he makes in
Hamilton in 4 - and
your Board only costs
75¢ a day at the
