To Mrs Elithbeth Daniell

your letter that came to Me. I will send it back to you as he is gone gone forever an forever I wish that some of you would come or send an git him an take him home for it was his desire to be carred home if kill in the war I never saw him after he was kill I have his Blanket an hat I want to send them home the first chance if I dont loose them some body robed him be for they wet to git him cut his pockets out

So I must close By remaining you Friend for ever

I would right more but lis not nessery I want some one to come after him an moove him from heare he is berried in a plantation on the batte feild

William, A, Roberts
