

Please! Please come back.
Don't die, it's terrible to be dead!
We need each other. It would
be awful if you're crippled-----
I wouldn't know what to
do if you were.

HERE'S ALL YOU DO!

- 1) Come towards our lines waving a white flag!
- 2) Strap your gun over your left shoulder, muzzle down and pointed behind you.
- 3) Show this ticket to the sentry.
- 4) Any number of you may surrender with this one ticket.
