"TARA HILL"

An aerial photograph of a military installation. The scene is dominated by a large, curved gravel path that winds through a green lawn. On the left side of the path, there is a long, low structure made of many small, conical tents or huts. In the center, there are several larger, light-colored buildings, including a prominent two-story structure. To the right, more rows of the conical tents are visible. The background is filled with tall, thin trees under a clear blue sky with a few wispy clouds.

POST THEATRE, POST GYMNASIUM  
AND ENLISTED MEN'S SERVICE CLUB

A photograph of a long, two-story building with a red-tiled roof and a series of arched openings along its ground floor. The building is set against a backdrop of tall trees. The sky is blue with some light clouds. The building appears to be a large, well-maintained structure, likely a post theatre or gymnasium as mentioned in the caption.
