Dear Sir

Yours
bearing date 13th Ult is just to hand-
Enclosed please find a list of

made remarks as to their health—
No 10 has no chronic disease but com
plains now & then of pain in her bones
She is a good Midwife & plantation
Nurse & about ½ hand in the field—
No 24 has one leg about 3 Inches shorter
than the other caused by a fall— about

No 26 has a slight asthma— I dont
think he has lost two weeks in the last
year— He is a full hand & a good one—
No 27 is the oldest on the place & about ½ hand

You will see I have given you a true account of those who are either old or in any way disabled— The others are perfectly sound & capable as far as my knowledge goes & I have owned & managed them for 3 years—

My terms are Cash & my price Seven Hundred & Twenty Five ($725.) Dollars pr head—

Please let me hear from you at your very earliest Convenience as there are two Traders looking at my Negros and I would much prefer seling to an owner at once— Any further information will be cheerfully rendered by

Very Respectfully Yours
