“God give us men! A time like this demands  
Strong minds, great hearts, true faith and ready hands;  
Men whom the lust of office does not kill;  
Men whom the spoils of office can not buy;  
Men who possess opinions and a will;  
Men who have honor; men who will not lie;  
Men who can stand before a demagogue  
And damn his treacherous flatteries without winking;  
Tall men, sun-crowned, who live above the fog  
In public duty and in private thinking.”

—J. G. Holland — 1819-1881
