Hon. Anthony J. Dimond, Delegate
House of Representatives
Washington, D. C.

Dear Tony:

At the meeting of the Merchant Marine and Fisheries Committee yesterday I explained to our mutual good friends that I wanted to have the Alaskan sheep, caribou, reindeer and wild turkey dinner next Friday, January 12th, at 6:30 p.m., at the Occidental Hotel.

After talking to the Boss, Chairman S. O. Bland, we decided that we should invite the wives of the men who went on that unforgettable trip. It was also decided that it would not be necessary for the men to dress up.

We are looking forward to having you and Mrs. Dimond with us without fail. We have arranged to show a moving picture of part of the trip, which we hope will be interesting.

With very best wishes and warm personal regards, I am

Sincerely your friend
