Dear Mr. Sheldon :

Madame Ngô-Đình-Nhu has received your letter of June 14 and wishes to thank you for it.

Though she does not have time to participate actively as a member of your Brigade, she will be pleased to send you from time to time the documentation of her own work in the cause of a free and independent Vietnam and will, of course, appreciate receiving news of your struggle for a free Cuba.

Sincerely,

Secretariat of
