

WANTED TO HIRE

AT THE Naval Gun Foundry and Ordnance Works, Selma, Ala., for the year 1865—TWO HUNDRED NEGRO MECHANICS AND LABORERS. Board, clothing and medical attendance furnished. Good quarters and the advantage of a hospital on the place in case of sickness.

Also wanted, fifteen hands for a steamboat on the Alabama river.

Those hiring negroes here will have the remainder of their hands exempt from impressment, provided the number employed amounts to their assessed quota.

CALSBY AP. R. JONES, C. S. N.,
Commandant,
