Dear Sir:-

The Woman's Missionary Society of the Court Street Methodist Church has unanimously passed a resolution indorsing Senate Bill 414, requiring the reading of the Holy Bible in the public schools through out the state. We think that George Washington was right when he said: "We shall preserve our liberties only by the religious education of our youth".

We appeal to you in the name of the motherhood of Alabama to vote for this bill in order that the youth of our State may gain a knowledge of the Bible at the same time he is acquiring an ordinary education. Ignorance of the Bible is a great reflection upon our people, and we hope the time will soon come when the Bible may be read in every school through out the State.

Yours very truly,

Miss Bob Jones
