Dear Mr. Persons:

I am enclosing application from a territory that is not now being served but needs to be served by the Rural Electrification Association.

The routes are Greenville to East Highland Home and Greenville to Luverne. There will be a sufficient number on these routes to take care of the specifications.

Very truly yours,

Mamie P. Searcy

Dear Mr. Persons:

In regard to your letter of June 17th I wish to advise that Mr. J. R. Perry and several others on the Luverne Highway are having a map made of Butler County showing the state highway on same. Just as soon as this map is completed we will forward it to you at once.

Assuring you that we appreciate your interest in this matter and that we have not at all neglected it as we are very much interested in rural electrification.

Yours very truly,

Mamie P. Searcy
