

November 4, 1936.

Mr. J. F. Yarbrough,
County Agent,
Tuscumbia, Alabama.

Dear Mr. Yarbrough:

Our Washington office is most anxious to obtain the following information, at the earliest possible time.

1. Approximate number of farms in Colbert County. 2750 (726, 2, 726)
2. Approximate number of farms in Colbert County that are electrified. 200
3. Approximate number of farms in Colbert County that have electricity available, but who are not using this service. 200
4. Approximate number of farms in Colbert County which use Delco or other individual lighting plants. 25

Of course, we realize that all of the above figures must of necessity be approximated, but we will certainly appreciate your efforts in giving us figures that are as accurate as possible. If you desire, you might simply fill in the above blank spaces and return this letter to us.

Kindest personal regards, and we await your reply with interest.

Very truly yours,

RURAL ELECTRIFICATION AUTHORITY
