

Mississippi Territory of the United States
Washington District

To the Worshipful, the County Court of Washington County Greeting
Whereas, at the prosecution of Edwin Lewis, suggesting to us that manifest Error
had intervened in the record and process, and also in the giving of Judgment of the plea
which was before you by our Writ between the said Edwin Lewis plaintiff and
Peter Bastwright defendant. We lately commanded you that if Judgment thereof was given, then
you should send to us, under your seal distinctly and openly, the record and process of the
plea aforesaid, with all things touching them, and our Writ which thereupon came to
you, so that we might have them before the Court to be holden for said District at the
Court House in Wakefield on the first Monday in September 1808; and now on the
behalf of the aforesaid Edwin Lewis it is shewn unto us, that although under pretence
of our said Writ you may have sent before us on the said first Monday the record
and process aforesaid in some part thereof, yet other part of the same record and process,
and also certain other things touching them, still remain before you to be sent, to the
no small damage and grievance of him the said Edwin Lewis. Therefore
if so it is, then We command you, that you send to us, under your seal distinctly and
openly the residue of the record and process aforesaid, and also all other things touching
them, which as is aforesaid remain before you to be sent, and this Writ; so that we
may have them before our Court to be holden for said District at the Court house
in Wakefield on the first Monday in May next, that the record and proceedings
aforesaid being inspected, we may cause to be done therein to correct the Error
what of right and according to the laws of the Territory aforesaid ought to be done.

Witness the Hon^{ble} Harry Toulmin Esquire Judge of our said
Court the first Monday in September Anno Dom 1808 and 33rd year
of American Independence
