

It would not be prudent to say anything of our
force but ~~you~~ as this reaches you, you
will hear something that will ~~do~~ ~~help~~
raise your spirits a month - perhaps for
years. We have ~~sent~~ ~~for~~ here some 50
or 60 prisoners taken in the fight.
Adj. Goldswain just come in says we must
look for some tremendous move tomorrow.
I must close now. Love to all.
