

Dear Sir - New Cal - S. C.

Wm. J. Hall Esq

Dear Sir,

It affords me pleasure
to say we are all well. Lou says she
is "determined to study hard." It is not
necessary to say to you, she possesses
a quick & retentive mind. I have
no doubt she will acquire her-
-self creditably. You shall have
some excellent girls for "compa-
-gnons de voyage" - all permit &
in the spirit

As to regard our
teachers, we have never had an
more able Corps.

In reference to
your inquiry about vocal music,
I beg leave to say that, although
all music that has been accompan

rights, Lou gives some opportunities
of cultivating her voice, - yet we
have a separate dept. in which
vocal music, accompanied by instru-
-ments, is prominent.

Those who enter this Dept.
together with the former, are charged
with what we term double lessons.
The charge is \$25 per half-year
or \$50 for Collegiate year.

I am pleased to notify you
of this winter.

Very respectfully

Dr. Sir,
