My Dear Uncle

I received your letter on yesterday
and now hasten to answer. Dr Cherry my uncle
is a candidate in this county for Legislature, the
election will be over this week, & he will come
down next, atleast he will remain at home
after this week. I will take Charick at an
appraised price, what did Darcus &
her family value at, if you please let
me know. I will of course relieve you of
Patrick, Dr Cherry will attend to it, when
he comes down. You can in the mean
time see if you can find a suitable
place for him to be buried. I will take land
Charick as a part of the Estate. How are
the children? I hope they are all well. Have
you heard from Cousin Belling & the other
boys lately? Very love to all the children
& let me hear again soon.
