

YOU MUST VOTE— IF WE'RE TO KEEP ALABAMA WHITE!

The Democratic Party of Alabama
was formed under the banner of White Supremacy.
We believe that it should continue
as the White man's Party.

TO THE VOTERS OF ALABAMA

GREETINGS:

We are Free Life-long White Alabama Democrats—Candidates for Electors.

Prior to the First Primary on May 3rd, 1960, we predicted that the National So Called "Loyalist" Group of Candidates, pledged to support the nominees of the Los Angeles Convention for President and Vice-President—whoever they may be, white or black, friend or foe of the South—would receive every negro vote cast in Alabama for Electors.

Our prediction was correct for the Loyalist Group did receive practically every negro vote cast in Alabama on May 3rd!

Let's take a look at the record:

Record:	TOTAL VOTES ACCUMULATED	
	National "Loyalist" Candidates	Free White Democratic Candidates (yours)
Macon County (Beat 1 Box 5) Predominantly federal negroes in Tuskegee	2456	408
Jefferson County Precinct 9 District 1 (Legion Field predominantly negro vote—in Birmingham)	4714	352
Mobile County Ward 10 (Davis Avenue — negro section of Mobile)	3271	886

Elect us and we will protect to the utmost our Southern Way of Life — a way of life acquired by the blood of our forefathers across a path which led over the bones of men and the tears of women so that it might be preserved and passed on untainted to the future sons and daughters of this Great State. We are the guardians, so to speak, of their inheritance. We must stand true to the trust.

Yes, elect us and protect the inheritance of your sons and daughters.

If we are to save the freedoms, institutions, schools and property of the white man in the South we must be in a position to join our Sister States in the South in forming a coalition which will be powerful enough to maintain the Constitutional Rights of our State.

Thanking you for your consideration in the matter, we remain,

Respectfully yours,
