Dear Sir,

As I have been a
public worker for 27 yrs
was employed by The
Alger Sullivan Lbr. Co
Century Fla. for 15 yrs and
8 mo. was cut off
Feb. 10. 1932 and have
had every sense
I have had a
family heavy Dr bills
and drug bills
also nurse bills.
and to-day we are
in need.

2.

I bought a small farm on installment plans, and the heavy rain and boll weevil have ruined the cotton crop and at the main time I had let the farm out, expecting to hold my position and there is fertilizer notes on crop to the seed loan and papers on the place to the Federal Land Bank of New Orleans La., and this crop will nothing like pay this indebtedness.

We are not able to send our children to school, and we havent got a dime to buy any thing. cant clothe our children or buy them books.

If there is any way we can get help through any source or employment would surely be appreciated.

Yours truly

D. E. Gaines.

our oldest child is a cripple 11 yr. old. we have to carry him

Mr. D. E. Gaines,
Route 1,
Evergreen, Ala.

Dear Sir:

I have received your letter of
the 27th.

I do not know of any source
from which relief could be obtained by you
and your family. There are no jobs that I
know of now.

You might see the local Red
Cross leaders and see if you could be assigned
to work on the roads under the rules which
permits the relief organizations to assign
certain percentage of the employees.

Yours very truly,

JOHN H. PEACH,
Legal Advisor to the Governor.
