Home!

The dearest Spot on earth to me
Is home Sweet home
The fairy land I long to see
Is home. Sweet home
There how Charmed the sense of hearing
There where love is so endearing
All the world is not so cheering
As home Sweet home
Ive taught my heart the way to prize
My home Sweet home.
Ive learned to look with lovers eyes
On home Sweet home
There where vows are truly plighted
There where hearts are so united
All the world beside, ive Slighted
For home Sweet home.
The dearest Spot of earth

"Absence"

Days of absence sad and dreary
Clothed in sorrows dark array
Days of absence I am weary
When my love is far away
Hours of bliss ye quickly vanish
When will nights like this return
When shall sighing truly vanish
When this bosom ceases to mourn
Not till that loved voice can cheer me
Which so oft has cheered my ear
Not till those sweet eyes can meet me
Telling that I still am dear
Dark of absence then shall vanish
Joy shall all my pains repay
From my idle bosom banish
Gloom but felt when this away

When thou shalt yield to Memorys power

Tho seems that thou hast past before
