SUBJECT John Leffler, formerly the manager of Next U.S. Steel's Gary Works, is now the plant manager at Gulf States Steel in Gadsden, a much smaller steel plant. We want photographs of him in the plant watching work being done or talking to steelworkers. Light will be poor, so bring a flash. Photos will be accompanying a profile story on Leffler.

ADDRESS Gulf States Steel plant in Gadsden.

REMARKS Reporter will have been with Leffler a couple of hours by the time photographer will have arrived. Keep in mind that steel plants can be dirty and potentially dangerous places.

to go with business spotlight feature for money week

(Photo identification and costs listed on back this order)
