hi, boy, am i tired of debates and projections.{EOP}

anyway, it might not be a bad idea to try to send a photographer to the limited partners meeting at the turf club at 10 a.m. Benjamin cohen, bankruptcy court administrator, told me these meetings are open to the public so technically, i'm not sure they could kick out a photographer. in addition to some possible overall shot for saturday, we could get muss of whittington, fixitz and seymore - right now the key people for turf club - as we prepare for the big Oct. 24 showdown. plus, we just might be able to sneak a few shots to go with the mood piece on the condition of the turf club - whenever i can get a moment or two to write that one.{EOP}

just wanted you to consider these options.{EOP}

p.s. if a photographer does come to the meeting, tell them to go to the second gate for entry to the track. the meeting will be held on the track level of the grandstand.{EOP}
