**SUBJECT** Feature shot of Saudi soldier who had a  
new kind of back surgery...want a  
photo of him in rehab, holding a  
cylinder that was put into his back.

Meet Laurie Stroud in the lobby of health  
South at 11 a.m. There was some concern that  
this might have to be moved to 1 p.m., so  
I have marked both times off the book to  
avoid a problem. I won't know until about 10 a.m.  
which time is which...
