SUBJECT Outside shot at the Rocky Ridge Fire Department station on Rocky Ridge Road. This will accompany Hoover/Vestavia Neighborhoods centerpiece story on the department and its brushes with adversity, especially through loss of land to Vestavia Hills and Hoover annexation.

ADDRESS 2456 Rocky Ridge Road.
REMARKS Two possible shots here: (1) Shot of some

firefighters, maybe with a truck, with the lot next door in the background. That lot is in Vestavia, so

the picture would illustrate the erosion of the ex fire district. (2) A row of fire trucks and

vehicles in front of the building, showing how the department needs to ~~xxxx~~ expand its station. This

is another, secondary, aspect of the story.
