COURT CALENDAR.

The following is the time fixed by law for holding the several Courts of Hale County:

Circuit Court.—On the third Monday after the first Monday in March and October, and on the 21st Monday in December and January.

County Court.—On the fourth Monday in each month.

Chancery Court.—On the 4th Monday after the 4th Monday in May and continue six days, and on the 21st Monday in December and January.

Commissioners' Court.—Regular Term, on the 2d Monday of February and August, and the 1st Monday of April and November.

COUNTY OFFICERS.

Probate Judge.—JAMES M. HOBSON.
Register in Chancery.—Y. GAYLE SNEDECOR.

Sherriff.—JAMES M. HOBSON.
Circuit Court Clerk.—VOLNEY BARNARD.

Tax Assessor.—W. W. WHITE JONES.
Tax Collector.—DURRILL JOHNSON.

Treasurer.—JOSEPH ATKINS.
Superintendent of Education.—M. H. YERBY.

Surveyor.—L. S. SPECTOR.
Coroner.—A. B. STEVENS.

Solicitor.—JAMES B. COLEMAN.
Commissioners.—WM. T. THACKER, RICHARD DAVIS, ROBERT SHACKLEFORD, and S. A. WILSON.

NOTICE TO ADMINISTRATORS, EXECUTORS AND CREDITORS.—In future, we shall enforce the rule requiring Administrators, Executors, Guardians, and others, who publish what are termed legal advertisements, to pay in advance.

We have now hundreds of dollars due for publishing advertisements of that class—a portion of which we shall certainly never collect. And even where payment is ultimately made, the delay and trouble in collecting is so great, that we have resolved to require payment, in all cases, in advance.

Monday, Sept. 1.—See advertisement by Messrs. R. Moore & Co.

The business men of Demopolis, to their credit be it said, are having their job printing done at home.

Particular attention is directed to a Card in our advertising columns by Mrs. Nance, who proposes to give instruction in French and Latin. She is a lady of superior mind, and has enjoyed fine educational advantages. We cordially commend her to public patronage.

SELMA, MARION & MEMPHIS RAILROAD.—Wednesday, the 4th inst., was the day for the annual meeting, in Memphis, of the Stockholders of the Selma, Marion & Memphis Railroad, for the election of a Board of Directors, and the transaction of other business. Its action is doubtless looked to, by the friends of the road generally, with much interest.

Mr. L. F. Haberkorn, Upholsterer, who resided here before the war, is now on a visit to Greensboro, and would be glad to get something to do in his line. He is a first-rate workman, and his charges, we judge, quite moderate. In the line of papering rooms, we can most confidently recommend him, from personal experience. He may be found in the store-room lately vacated by Mr. H. Beck, Dorman block.

A MOST OBTUNATE CHARGE.—Mr. P. P. Hagley, a worthy and popular young man, who has acted as Mail Agent, on the Selma, Marion & Memphis Railroad, for several years past, and discharged the duties of the office most acceptably, has been transferred to the Alabama Central road, to make room for Green S. Lewis, a very unpopular negro from Perry. The work, we suppose, of Senator Spencer, famous for his agency in having had official appointments made.

The municipal election, which came off last Monday, resulted in the success of the following ticket:

For Mayor.—Thos. R. Routhaa.
For Councilmen.—Messrs. W. W. Powers, J. S. Tucker, H. Beck and S. W. Chadwick.

For Marshal.—J. D. Hamilton.

For the majority there was but one candidate. For Councilmen there were, we judge, no regular candidates—but several gentlemen, besides those elected, were voted for.

For Marshal, there were three candidates.—Mr. J. D. Hamilton, who has held the office for several years past, and made a very good officer.—Mr. Wm. A. Bell, and Mr. Richard Atkins.

Mr. Routhaa, who we are satisfied, make an efficient mayor; while the Board of Councilmen enjoys public confidence, and will, we have no doubt, discharge their duties acceptably.

[Communicated.]
Anniversary of the Clarosophic Society, Southern University.

The Clarosophic Society of the Southern University held its fifteenth anniversary on Friday night, February 27th. Their beautiful and commodious Hall was crowded with the *bon tons* of Greensboro.

The exercises of the evening were to have been opened with an address by Mr. Thos. J. Seay, a graduate of the Society, and of the University; and well known throughout Alabama as one of the first lawyers at the Bar. Mr. Seay was, however, detained in Mobile by business, and could not reach Greensboro in time to deliver his address—a very great disappointment to all those who have had the pleasure of hearing this gentleman at the Bar.

The debate for the evening was upon the question—"Which Is The More Profitable Source Of Pleasure, Memory or Imagination?"

The affirmative was opened by Mr. S. M. Hosmer, whose speech presented a pleasant mingling of the didactic, hortatory and ornate.

Mr. L. M. Cox followed on the negative, in a speech remarkable for its easy style, and the fluency of its delivery.

Mr. F. M. Peterson, Jr., on the affirmative, was more argumentative in his address, and his ideas appeared to flow *ex animo*, and were decidedly of a religious character.

Mr. R. J. Briggs closed on the negative, in a most beautiful appeal in behalf of the poetry of thought which he lamented as being throttled by the calculating utilitarian tendencies of the age. This speech was exquisitely delivered, and was indeed more of an oratorical gem than an argumentative discussion.

The exercises were presided over by Mr. J. T. Walker, one of the members of the Bar, who gave his decision in favor of the negative.

The String Band furnished excellent music and added much to the pleasure of the evening.

We are glad to see so much interest taken in these exercises. It speaks well for the taste of the town-folk.

A false alarm of fire was sounded on Thursday evening last, about 8 o'clock, from the east end of the town, which created considerable excitement. The Hook and Ladder boys were promptly out with their apparatus, and ready for duty.

The Fire Department will pay a reward of \$25.00 for the name of the party who originated the alarm.

DISSOLUTION NOTICE.—See advertisement by Messrs. A. H. Rayles & Co.

Hon. Luther R. Smith, of the Eighth Circuit, will hold the Spring Term of the Circuit Court of Hale, and Judge Saffold having changed Circuits.

The Demopolis *News-Journal* is of the opinion that the county of Marengo can be carried by the Democrats in the next election, as 1000 negroes have left the county, and about 500 are in the habit of voting with the Democrats. We hope its opinion will turn out to be correct.

FAST RAILROAD TIME.—A locomotive and platform car, on the New York Central Railroad, made the trip from Peckskill to Sing Sing, on the 17th ult., in nine minutes—distance 12 miles. Said to be the fastest railroad time ever made.

The trial of the Grant Parish prisoners was commenced in New Orleans last week, before Judge Woods, of the U. S. Circuit Court. There are said to be one hundred and twenty-five witnesses in attendance for the defence.

WASHINGTON RUMORS.—That Secretary Fish will succeed Schenck as Minister to Great Britain. And that Mr. Brainerd, Minister to Germany, who desires to return home, is likely to be succeeded by the Rev. Mr. Thompson.

The *Livingston Journal* of last week has a sensible article on the question of paying the State debt, in which it takes ground against the repudiation of one dollar of the debt that is justly due.

Dr. Munsey, quite celebrated as a pulpit orator, has been on a visit to Huntsville Ala. He preached there Sabbath before last, and lectured on temperance the Wednesday following.

A correspondent of the *Concough-Edwards Star*, strongly endorses the nomination of Gen. E. W. Martin, as the Democratic candidate for Lieut. Governor.

The *Kirmers' Vindicator*, published in Camden, Wilcox county, advocates the establishment of a National Bank in that place.

Heavy rains in West Tennessee last week. A number of Railroad bridges near Memphis washed away, and travel interrupted.

Says the *Huntsville Advocate*:—"Quite a number of Northern farmers are prospecting in this county and more are coming."

Says an exchange: "Let no Democratic paper consent to advocate the claims of an unworthy man for office." Good advice that.

The Washington correspondent of the *Mobile Register*, thus speaks of Senator Gordon, of Ga.:

"Without wishing to disparage others, it must be admitted, and is admitted on all sides here, that Gen. Gordon, of Ga., is the best representative the South has sent to the United States Senate since the war."

The council of the Evangelical Alliance has addressed a circular to the members of the British and American organizations of the body, and to Christians generally, to set aside Tuesday, the 17th of March (St. Patrick's day), as a day of special prayer for Ireland.

The famine in India is represented as on the increase. The number of those in a starving condition is stated at 150,000.

David Friedrich Strauss, the eminent German theologian, died in Berlin, on the 11th ult.

Marriages.

JONES—WATT.—In Miss, on the 1st ult. Mr. M. APOLLO, B. JONES, of Greensboro, and Miss WATT.

Fun at Home.

Don't be afraid of a little fun at home, good people. Don't shut up your houses lest the sun should fade your carpets, and your hearts, lest a happy laugh should shake down some of the dusty cobwebs there. If you want to ruin your sons, let them think that all mirth and social enjoyment must be left on the threshold when they come home at night. When once a home is regarded as only a place to eat, drink, and sleep in, the work is begun that ends in gambling houses and degradation.

Young people must have fun and relaxation somewhere. If they do not find it at their own hearthstones, it will be sought in other and perhaps less profitable places. Therefore, let the fire burn brightly at night, and make the home ever delightful with all those little arts that parents so perfectly understand. Don't repress the buoyant spirits of your children; half an hour of merriment round the lamp and firelight of home blots out the remembrance of many a care and annoyance during the day, and the best safeguard they can take with them into the world is the unseen influence of a bright little domestic sanctum.—[Plantation.]

The Grover & Baker Sewing Machine is the best.—A. H. Williams, Greensboro, Agent. Price \$35, and upwards. Come and see them.

How to Grow Beautiful.

The woman who is indifferent to her looks is no true woman. God meant women to be attractive, to look well, and to please; and it is one of her duties to carry out the intention of her Maker. But that dress is to do it all, and to suffice, is a more than human brought to believe. Just because I do love to see girls look well, as well as live to some purpose, I would urge upon them, self a course of reading and study, shall confer such charms as no modish cap supply. N. P. Willis wrote a very pretty paragraph on the power of education to beautify; that it absolutely chiseled the features; that he had seen many a clumsy nose and thick pair of lips, so modified by thought, awakened by active sentiment, as to be unrecognizable. And he put it on that ground that we so often see people, homely and unattractive in youth, bloom in middle life into soft-toned Indian summer of good looks and mellow tones.—[Working Farmer.]

A Cheerful Home.

Of all the blessings enjoyed by human beings, there is none better or more desirable than a cheerful, happy home. It is, therefore, the first duty of every one to endeavor to promote the most amiable relations in the home circle. A single bitter word, may disquiet an entire family for a whole day. One early glance casts a gloom over the household; while a smile, like a gleam of sunshine, may light up the darkest and weariest hours. Like unexpected flowers which spring up along our path, full of freshness, fragrance, and beauty, so the kind words and gentle acts, and sweet dispositions, make glad the home where peace and amity dwell. No matter how humble the abode, if it be thus garnished with goodness, and sweetened with kindness and smiles, the heart will turn longingly toward it from all the tumults of the world; and home, though it be ever so homely, will be the dearest spot beneath the circuit of the sun.

Louisiana Leeches.

The New York Tribune, in commenting upon the political affairs of Louisiana, says: Judge Durrell's orders in bankruptcy proceedings in Louisiana have been unwarmed. They are models of judicial legendarism. By a series of ukases, he constituted one fortunate gentleman universal assignee of bankrupt estates, gave him full swing in the matter of fees, fixed those who remonstrated against high charges so that each man was fined fifty dollars for a complaint, and, finally, tied up the whole business in the hands of one or two men. The estate that once got into the hands of these jugglers was squeezed as dry as an orange. Something besides industrial prostration ails Louisiana.

An unmarried man died recently near Boston, aged eighty years, a graduate of Harvard, with the degree of "A. B." He was a bachelor by diploma, a bachelor by celebrity, and a bachelor by name. Grim death at one fell swoop swept off the whole batch.

The last New York Herald devotes one whole page, six columns, to illustrating the horrors of the times, and the poverty and the degradation in that city.

What is the difference between a farmer and a bottle of whiskey? One husbands the corn, and the other coons the husbands.

VINEGAR BITTERS.
Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Walker's Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the blood of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.

THE SUN.
WEEKLY, SEMI-WEEKLY, AND DAILY.

THE WEEKLY SUN is too widely known to require any extended recommendation; but the numerous which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more, are briefly as follows:

It is a first-rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligible, and interesting manner.

It is a first-rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first-rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first-rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper, belonging to no party and containing no party spirit, for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country, and threaten to undermine republican institutions altogether.

It reports the fashions for the ladies and the markets for the men, especially the cattle markets, to which it pays particular attention.

Finally, it is the cheapest paper published. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will get the paper for a year.

We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.00 a year. No discounts from this rate.

THE SEMI-WEEKLY SUN.—Same size as the Daily Sun. \$2.00 a year. A discount of 20 per cent. to clubs of 10 or over.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription price 50 cents a month, or \$6.00 a year. To clubs of 10 or over, a discount of 20 per cent.
