

Huntsville Aug: 10/63.

Dear Parsons -

Unless we get a Judge of Probate in a few days, we will be without County organization in time to have a proper election for delegates.

Both Hammond and Scroggs have been recommended for the office. If you have made the appointment of either of these gentlemen, then this application is unnecessary. If however, these two gentlemen should require special favor, then it would be better to make a temporary appointment of Robert D. Wilson, who has been for

many years a clerk in the
office.

The only object of
using Mr Wilson's name at
this time is for a speedy
organization of the County - and
not to interfere with the per-
manent appointment, whenever the
two gentlemen shall be fitted to
be put upon the track. These
subsequent matters can be
governed by circumstances.

Act for us promptly, else
we are left in the lurch.

Respectfully,

D. C. Thompson.
